Dear Friend:

Women of Power and Transformation (WOPAT) would like to offer you the opportunity to be a sponsor of our *2nd Annual Awards Day Mixer and Reception*, a fundraiser which will be held Sunday, September 22, 2019, at The Pyramid Club 1735 Market Street – 5²nd floor, Philadelphia, PA. Please note that the information on the various sponsorship levels, which are available for you to take advantage of is included with this letter.

WOPAT is a non-profit, international resource center for Women. Our goal is to empower women to rise up as leaders, connect globally and support one another mentally, spiritually, and economically for the greater good. We know that strong communities can exist only with the support of corporations/organizations, such as yours.

WOPAT is at the forefront of issues affecting women and families. Through our social network of more than 5,000 on-line members, we have impacted legislation and mobilized our community of women nationwide and globally.

Our programs include:

- Women of Color Small Business Boot Camp, which is designed to increase the number of successful businesses started by women of color.
- The Fly Butterfly Academy, which provides mentorship to teens in life skills, vocational and career exploration.
- Nationwide Sweater and Toiletry campaign for victims of domestic abuse netted 500 donated items to women's centers in five states.

It is impossible for a community to achieve any degree of success without dedicated individuals who are committed to the betterment of the community as a whole. In that vein, this event will honor some of those individuals who are dedicated to civic engagement and encouraging positive change.
